Mission to Montenegro

LETTER OF APPRECIATION

Dear Mr. Kashumov,

The OSCE Mission to Montenegro would like to express appreciation for your long term assistance and consultancy provided for the development of the Law on Free Access to Information.

Your professional experience, knowledge and dedication contributed to the successful development and support for a proper implementation of the law in Montenegro. Sharing experience on the implementation of the law from your and other countries in the region and delivery of practical knowledge on the Law on Free Access to Information was highly valued and appreciated by the civil servants from the respective public bodies dealing with the requests for information.

Your participation in numerous seminars and round tables was highly appreciated by the Government and all relevant players and has contributed to the development of the law.

We highly appreciate your experience and hope to continue our cooperation in the future.

Sincerely, 

Radka Betcheva
Media Programme Manager
